## INVITING YOU

\*\*\*

You are most welcome to visit our plantings at any time. Iris in this locality, usually start blooming about the first of June, depending on the season.

\*\*\*

## SUGGESTIONS

\*\*\*

The Iris is one of the loveliest of spring garden flowers, it is also a grand show flower. You will enjoy taking part in your local Iris Show and viewing the many varieties. It is always a thrill to win the coveted Blue Ribbon. Watch your local newspapers for the date of this year's Iris Show.

THE AMERICAN IRIS SOCIETY issues four worthwhile bulletins each year, covering all phases of this hardy perennial. Membership is \$3.50 per year. They have also issued a new Iris manual---"THE IRIS--AN IDEAL HARDY PERENNIAL". This book is very well written and gives information on the history, culture, diseases, photography, genetics, hybridizing and judging of Iris. Paper bound copy \$1.50, Permanent binding \$2.50.

Either or both may be obtained by sending to:

Mr. Sam Y. Caldwell, Secy.-Treas.,  
American Iris Society,
